Mined Area			

Note: Mining in fringe areas beyond the projections shown in subject to future economic feasibility.  
Note: Mine projections are subject to change depending on conditions encountered in the underground mine workings.  
Note: Actual mine works shown in black are existing as of May 1, 2004.  
Note: Mine projections depicted in the fringe areas beyond the existing permit area are speculative and based on future reserve acquisitions.  
No mining will be conducted in these areas unless those reserves are acquired in the future and permitted according to federal, state, and local permitting requirements.  
West Ridge Resources acknowledges that permission to mine within the permit boundary does not imply permission to mine beyond the permit boundary.
